Letter from the Convention Director

Welcome to the ninth year of SCARAB. To those who have been here before welcome back its great to have your continued support and to those who are attending for the first time welcome to the SCARAB family, we hope you find the event as enjoyable as we do. This past year has brought many changes, the biggest is that we are back in the Medallion Center and while we do love and appreciate all the support received from the Scottish Rite Center over the years it certainly feels good to have a little more elbow room once again. We hope to be here many more years and hope you are as satisfied with the move back to the Medallion Center as we are.

Please take a minute to let us know your thoughts on how we can make improvements to the event through our Facebook page or by stopping by one of the many coordinator areas and chatting with one or more of the folks from our great SCARAB staff directly. The staff work tirelessly to put on a great event each year and we have learned over these past years there is always something we could do better. Our commitment to our customers and supporters is that we will never walk away from an opportunity to improve the event – so your feedback is earnestly solicited.

Personally, I would like to thank all of the staff, volunteers, vendors, game manufacturers /creators, resellers/retailers, our sponsors, supporters, and fellow gamers who have stuck with us through this labor of love over the years and also all those new folks who may be supporting us for the first time this year. Without all of your support this event just wouldn't be the same – so thank you all very much. I hope you have a great year!

Del Collins II
Director of SCARAB

The image shows the Robot Rise! board game box and a portion of the game board. The box is black with a blue and yellow robot head on top. The text on the box reads "ROBOT RISE!" in large, stylized letters, and "Embrace your inner mad scientist" below it. The game board is visible in the background, showing various game areas like "Main Raid", "EMP", "Time Machine", "Disaster!", "Mind Control", "Force Field", "Escape", and "Raid".

With a secret identity, build giant robots, escape disasters & form alliances to survive this rapid-fire card game for 2-6 mad scientists!

Each Year an eternal member earns the right to choose a theme and colors for the special buttons and dice. 2019 is the "Year of the Callahan"

- ◆ **Who are you?** *We are collectively known as the "Callahan Clan" David, Alicia, Courtney, Meredith, and Savannah Callahan.*
 - ◆ **What did you pick for the button & die, and why?** *You WILL recognize a pink and purple die. We have girls, they like pink & purple . Also now Randy will have to have a pink/ purple die!!! For the button we went with a fire breathing dragon hovering over the die because she just wants you to play and have fun. And I like dragons and I too can be a little fiery.*
- 
- ◆ **How long have you been attending?** *We were one of the first folks to show up on that cold morning in 2011. The lovely registration ladies looked to need a helping hand, Alicia(me) then met my other con half, Alisha, thus the Alicshi was born! David was just scouting out the con ready to play games.*
 - ◆ **What type of gaming do you do at SCARAB, & what are some of your favorites?** *I like the boardgame room. Some of my favorite people are in that room. It feels like a family reunion every year. I enjoy the boardgame tournaments and the friendly competition. Some of my favorite games are, I Drank What, Ticket to Ride, King of Tokyo, Also the Circle of Death Tournament (not in the boardgame, but definitely a fav).*
 - ◆ **What was the first game you remember playing at SCARAB?** *I remember making David stay an extra day to play the IDW tournament to win me a flask. (He came home with one, but that is another story).*
 - ◆ **What's one of you best SCARAB memories?** *So many great memories, very difficult to choose. Passing off my winning tourney spot because I had to leave for my grandfather's funeral and couldn't compete. Turns out "Shadow of Death" won it. Even on a bad day, it was a great day.*
 - ◆ **What's the thing you look forward to the most each year?** *The friends, stepping away from reality and being whatever or whoever, and simply being with people who are way cooler than most of the people I have to communicate with on a normal basis.*
 - ◆ **Who's your favorite SCARAB staffer, and why?** *This is not a fair question. It's like asking who your favorite kid is....it can't be done. Each Staff member has touched us (not inappropriately) in a special way. SCARAB is what it is because of each of them.*

SCARAB Convention Rules

ALL PARTICIPANTS IN SOUTH CAROLINA AREA ROLEPLAYERS AND BOARDGAMERS LLC'S ("SCARAB") ANNUAL CONVENTION ("CONVENTION") BEING HELD JANUARY IN COLUMBIA, SOUTH CAROLINA, ARE REQUIRED TO, AND HEREBY DO, ASSUME ALL RISK OF PARTICIPATION IN THE CONVENTION BY ACCEPTING THIS TERMS OF SERVICE AGREEMENT ("AGREEMENT") AND THE ASSUMPTION OF RISK AND RELEASE OF LIABILITY DESCRIBED BELOW. THESE RULES OVERRIDE ANY OTHER RULE, REGULATION, PROMISE, REPRESENTATION, OR OTHER WRITING BY SCARAB. IF THERE IS A CONFLICT BETWEEN THESE RULES AND ANY OTHER WRITING BY SCARAB, THESE RULES AS SET FORTH BELOW SHALL BE DEEMED TO BE CONTROLLING.

1. SCARAB Convention Director and Convention Management ("SCARAB Management") reserves the right to remove anyone that is violating the rules or otherwise preventing others from their

enjoying the convention from the convention premises, without a refund. The decision of the Convention Director is final.

2. From time to time persons, including staff persons from SCARAB may take photographs and use them for promotional purposes. These images include, but are not limited to, photographs taken by attendees and posted on various social media websites. By purchasing a badge and attending the Convention, you hereby agree and consent to the use of your image by SCARAB for promotional materials and other such purposes it deems appropriate in its sole discretion.

3. While SCARAB encourages families to bring their children, SCARAB Management cannot be responsible for the care of member children while they game separately. SCARAB Management requires parents to actively monitor the events in which their children are participating. SCARAB posts a rating system which parents can use to judge whether a given event is child-appropriate. SCARAB Management also has a Kids Track which has child-friendly gaming. However, the Kids Track is not a substitute for the parent or a babysitter. SCARAB Management, Convention Director, its agents, employees or volunteers (including Kids Track GMs) are only responsible for entertaining, not caring for, children during the duration of the event. Therefore, parents will need to make separate arrangements to be sure a caretaker is available should the session end early. Children who are disruptive during events will be returned to their parents regardless whether the parent is actively involved in another game session.

4. Please try to keep behavior and actions family friendly during normal Con hours of 8AM to 10PM and be respectful about others around you, particularly in your choices in language, dress, and personal hygiene. Costumes of adult nature or repeated uses of vulgar language are not welcome in the convention common areas during normal Con hours. This includes no nudity or see-through or extremely revealing clothing, and no profanity or offensive language displayed.

Anyone deemed not adhering to this rule will be subject to rule 1.

5. Convention Badges are required for participation in Convention events and activities. Convention GMs are responsible for ensuring all participants have a valid Convention Badge. Persons who have registered for the Convention that found without a Convention badge will be given an opportunity to either produce their badge or secure a replacement. Lost badges will be replaced at the cost of \$10. The dealers' room and hallways are open to the public. Offenders, including those who attempt to participate in Convention events without a valid registration, will be escorted from the premises and may suffer such remedies as maybe determined by Convention Management and/or the Convention Director at their sole discretion.

6. Please do not damage either the Holiday Inn or the Medallion Center. If you break it, SCARAB Management will make sure you buy it. Please remember to clean up after yourself, before you walk away from a table make sure it is clean of trash and ready for the next group to sit down and play. If you wish to keep the rates reasonable from one year to the next then please keep the convention area and the hotel clean and trash free. Anyone caught littering will be subject to rule 1.

7. Prop-weapons are welcome subject to approval by SCARAB Management and designated by colored markings showing it is a prop. All prop-weapons must remain holstered or otherwise safely kept. Airsoft weapons used as props are acceptable as long as the battery pack is removed, has no ammo, and is unable to shoot. The unsafe uses of prop weapons are strictly prohibited. Swords are allowed if they are sheathed and peace-bonded. Otherwise, all other "real" weapons are prohibited including firearms in the possession of a valid concealed weapon permit holder. If it is able to fire a projectile, it is considered real. We don't care if you've got a concealed weapon permit or not: don't bring them in unless you're a member of law enforcement. The failure to comply will result in the confiscation of the weapon without return. Persons possessing real weapons on Convention premises will be turned over to the proper authorities for prosecution.

8. SCARAB, SCARAB Management, Convention Director, its staff, agents, employees or volunteers are not responsible for anything lost, missing, destroyed, or stolen during the convention. We will have a lost and found at the registration desk and the hotel also has a lost and found.

9. Due to the terms and conditions of the contract to rent the site location for the Convention, all outside food and beverages are strictly prohibited. This means no pizza deliveries, no McDonald runs and absolutely no coolers in designated convention areas. You are welcome to go out to eat, but do not bring food back with you into the Convention areas. Bringing outside food or drinks into the convention could result in a \$1,500 fine to SCARAB Gaming Convention. The only food and beverage that is allowed in the Convention space must be purchased on site from an approved vendor. Outside food and beverages are permitted in the parking lots and any hotel rooms only. Any badge holder, their agents, guests, etc. that fail to abide by this rule and are discovered with outside food and beverages hereby agree to fully indemnify SCARAB for the cost of this fine, and any such fees and costs as may be incurred in securing this indemnification including attorneys' fees and costs.

10. Smoking and e-cigarettes (vaping) are not allowed inside, but there are designated smoking areas outside the Medallion Center and at the hotel. Illegal drugs are strictly prohibited.

11. SCARAB does not allow and cannot permit unauthorized vendors to sell anything at the convention.

12. Do not run or engage in horseplay in the convention site; accidents happen this way. SCARAB, SCARAB Management, its staff, agents, employees or volunteers are not responsible for your physical safety, particularly if you're acting in an unsafe manner.

13. No overnight sleeping is allowed in the game rooms, event rooms, lobby, or restrooms. SCARAB has made a fantastic deal with the [Holiday Inn Express - Fort Jackson](#), and they will rent you a place to sleep for a very affordable price.
