Dealer Space

Set-Up after 12 pm on Friday, January 18th, 2013. Dealers will have access to Hall an hour before and after listed hours for additional set-up. These hours are subject to change.

Dealers must contact the Dealers' Room Director for space availability. Sending payment does not automatically secure table space. Payment is not required until your application is accepted. Dealers will be assigned on a first come, first serve basis. Special requests (i.e. wall space, electrical access, etc.) will be taken along with applications.

Space is limited, so dealers are encouraged to apply early. Any approved applicants who have not paid or made arrangements for their table space(s) by the Pre-Registration Deadline October 1, 2012, will lose their discounted status. Payment is required prior to admission to convention.

SCARAB will accept cash, check, credit card and debit card, and merchandise and dealer gift certificates as payment for tables. Merchandise and gift certificates exchanged for payment will be required at badge pick-up. **Merchandise must be new and in unopened or unused condition and we reserve the right to refuse any product offered as payment.** If the specified product is not remitted at time of badge pick-up or if insufficient value of merchandise or gift certificates is remitted, the difference in the retail value will be charged to you and required prior to admission. The difference charged will be the Late Registration Rate for tables/spaces.

The standard size of a table is 3' by 6'. There is usually a 4' space behind each table. Tables can be moved for additional displays within reason and at the discretion of the Dealers' Room Director.

Each initial space/table comes with two dealer badges. Additional badges can be purchased for \$40 each. Badges allow dealers full admission to the convention. Additional badges can be added on any time before the start of the convention.

Open Gaming Vouchers

The convention will be providing vouchers to games masters to support the open gaming events. Gaming vouchers must be accepted on a dollar for dollar basis. The convention will settle these vouchers with dealers on a dollar for dollar basis on Sunday via check, credit card or other acceptable form of payment, or they may be used as payment towards dealer space at the next year's event.

Security

Convention staff will monitor the Dealers' Room on a regular basis. Dealers are responsible for their own property, and under no circumstance will the convention be liable for the loss or damage of merchandise, equipment, or revenue. We will not be able to provide bag checks. Each Dealer is responsible for the security of their merchandise. Therefore extra precautions in the placement of merchandise are advised to ensure items are not easily stolen. While adult merchandise and weaponry is not banned, such displays should be inaccessible to minors. Warnings will be issued for inappropriate displays and failure to comply will result in the removal of the dealer, the revocation of a dealer's status and the forfeiture of their fees.

Banned Items

Any items that would infringe on existing copywriters will not be allowed. These items include bootleg CD's, copies of any copyrighted materials, commercially licensed software, bootleg videotapes, fan subs, unlicensed reproductions, photocopied or scanned copies of game books, etc. Warnings will be issued for inappropriate items and failure to comply with warnings may result in loss of table and ejection from the convention without refund of registration fees.

Failure to adhere to the dealer's agreement will result in the removal of the dealer, the revocation of dealer's status and the forfeiture of their dealer fees.

Any questions can be directed to the Dealers' Room Director.

Advertising

Dealers will be given a ¼ page, black and white ad in the convention program book at no additional cost. Additional and upgraded advertising is available in the convention program book and on the convention website. For information on further advertising and on dealer space please visit the SCARAB website at <http://www.s-c-a-r-a-b.com> or contact the Dealers' Room Director.
